Dear Members of Community Lutheran Church,

As you may be aware, our congregation issued a call to the seminary to receive a candidate for our next Associate Pastor. However, we did not receive a candidate due to the large volume of calling congregations (150) and limited number of candidates (100). The call committee has decided to broaden our search to the field. We are asking the congregation to submit nominations for an Associate Pastor to serve Community Lutheran Church. If you wish to nominate an LCMS Pastor for this position, please stop by the office in Escondido or stop by the back table in San Marcos to pick up a nomination form. Please return the completed forms to the office no later than Sunday June 11, 2017.

The call committee thanks you for your continued prayers for guidance during this time.

Yours In Christ,
