2017 Mission funds allocation

I am pleased to announce that San Marcos did not require any of the Mission funds that were allocated in 2017. As a result, the Council will propose alternative mission projects for the 2017 funds at the voter's meeting. If you have any suggestions for the allocation of these mission funds, please feel free to contact me. This will be voted on at the meeting on December 10<sup>th</sup>.

God's Blessing and see you around the campus,

Jeff Peterson
