

Human Trafficking Support Women Helping Women Event Friday January 19th at 6pm @ CLCSM

“The Purse Project”

The purse project is a street outreach that collects donations of items that women who are working the streets may be able to use daily, we put them into gently used or new purses along with personal empowerment cards, positive affirmation letters, and take them to well-known prostitution areas to hand out to the women and young girls working the streets. We offer the ladies prayer and if they choose to ask for help, as much help as possible. [Here are the current needs.](#)

“Project Life”

North County Project Life is a service for urgent need victims. Started in 2011 when the North County Human Trafficking Task Force busted a child prostitution ring and all 35 victims were local high school students. Subsequently, Lifeline was contacted due to our expertise with both child abuse intervention and mental health. Lifeline launched Project LIFE (Living in Freedom from Exploitation).
